Alaska Medicaid Provider Update

2023 Behavioral Health Collaborative Conference September 15, 2023

After discussion with the Division of Behavioral Health (DBH), Optum and DBH have jointly agreed to postpone the Behavioral Health Collaborative Conference scheduled for October 2023. As the result of postponing the Collaborative Conference it will allow Optum, DBH, providers and other key stakeholders to develop a steering committee that will guide the development of a robust conference that leverages subject matter expertise from multiple stakeholders. We will be soliciting volunteers to participate on the steering committee. We look forward to partnering in the development of a conference that is collaboratively developed.
